

We want you to enjoy your stay with us as much as possible! For that reason, we have stocked the house with a *starter* of each of the items listed below. If you feel that you will need more than what we provide, please pack accordingly!

- Toilet paper - Each of the bathrooms is stocked with five rolls of toilet paper plus what is left on the roll.
- Paper towel - One new paper towel roll under the sink plus whatever was left on the paper towel roll in the kitchen.
- Dish soap - Liquid dish soap is in a bottle next to the kitchen sink. There is plenty of this for a week's stay.
- Hand soap - Liquid hand soap is fully stocked in each bathroom and kitchen.
- Dishwasher pods - Ten dishwasher pods are under the kitchen sink.
- Garbage bags - Ten garbage bags are under the kitchen sink.
- Laundry soap - Three laundry pods and three dryer sheets are in the main floor laundry room.
- Shampoo, conditioner, lotion, and bar soap - A travel size of each can be found in each of the full bathrooms.
- Coffee filters - We have a drip coffee maker at the cabin.
- Propane - We have two propane tanks. One is already hooked on the grill and the spare is in the shed. Please let us know if one becomes empty during your stay

We suggest packing the following:

- Beach towels - We do not provide beach towels, but we do provide bathroom towels. Please keep bathroom towels in the house.
- Bug spray - Mosquitos can be around, especially at dusk.
- Sunscreen - Even in cool temps the sun can be intense. A bad sunburn can ruin a vacation!
- Life Jackets - We have two cushions that you can use as floatation devices for the kayaks, beyond that lifejackets are recommended on the dock and waterfront areas. There is an emergency swimming ring located near the waterfront, this is only for an emergency situation.
- Condiments - We do not provide ketchup, mustard, etc. However, we do have some basic spices on hand.

Please ask us about firewood for purchase! We kindly ask that you do not bring your own in order to prevent the introduction of invasive bugs to the area.
